## EVERY DETAIL, EVERY ANGLE

Close the gap and bring remote meetings to life. This advanced camera system brings remote meetings to life with its quad-eye 4K clarity and expansive 125° view, capturing every detail with exceptional precision. Experience the feeling of truly being there, fostering stronger connections and more meaningful conversations.

## EVERY WORD MADE CLEAR

Featuring 16 intelligent beam-forming microphones with a 10m pickup range, the W70 Kit, equipped with a 200MP Quad Sight lens and FlexMount, is ideal for medium to large rooms. Its dual 20W speakers and quad bass units provide a rich, balanced audio experience. The symmetrical large-chamber design ensures that every word is heard clearly, transforming any space into a professional meeting environment.

## U50 & V50 KIT OVERVIEW

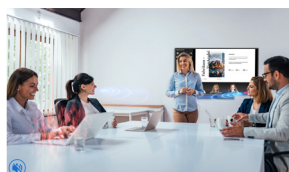

### EVERY DETAIL, EVERY ANGLE

Our sophisticated dual-eye camera system delivers exceptional image quality for meetings, combining 12 high-definition lenses with innovative stitching to achieve 100MP resolution and 2400 TV lines. With its ultra-wide 125° horizontal field of view and advanced technology, it ensures comprehensive coverage and clear video, capturing every detail so users never miss anything critical.

### EVERY WORD MADE CLEAR

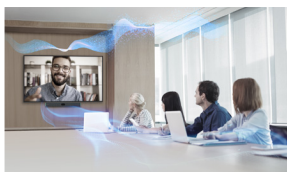

Featuring 12 intelligent beam-forming microphones with an 8m pickup range and dual 15W speakers equipped with quad bass units, this system delivers precise sound tracking, crystal-clear communication, and rich, balanced audio. It transforms any space into a professional meeting environment with exceptional clarity and immersive sound quality.

## FLEXMOUNT - FLEXIBLE MOUNTING, FEWER TOOLS, LESS HASSLE

FlexMount combines sleek design and easy installation for professional, adaptable meeting spaces with minimal hassle.

## 3-IN-1 MOUNTING SOLUTION

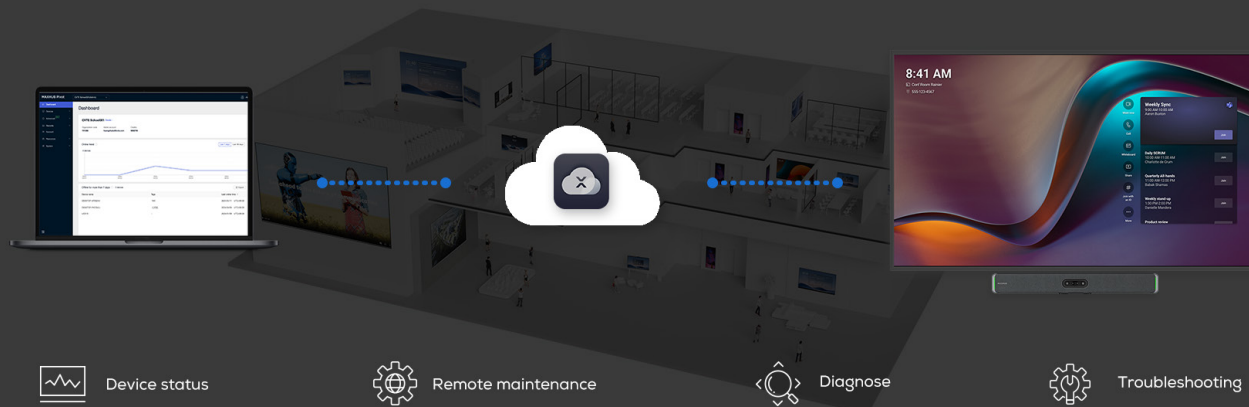

Designed for wall, desk, or display installation, with adjustable mounting angles for versatile positioning on desktops, above or below TVs, or along sliding rails.

\* W70 Kit only has 2-in-1 mounting solution

## SIMPLE REMOTE DEVICE MANAGEMENT

MAXHUB's Pivot tool allows easy remote management and updates of room devices, boosting operational efficiency.

## ECO-FRIENDLY INSIDE OUT

Inspired by paper, designed for tomorrow. Crafted entirely from renewable paper with zero plastic, our packaging reflects a lasting commitment to sustainability - minimizing impact while maximizing value for your business and the planet.

## PEACE OF MIND, 3-YEAR GUARANTEED.

Enjoy peace of mind knowing your technology is in good hands. MAXHUB's comprehensive support, including a 3-year warranty and local experts, ensures long-lasting performance and a seamless workflow.
