EVERY DETAIL, EVERY ANGLE

Close the gap and bring remote meetings to life. This advanced camera system brings remote meetings to life with its quad-eye 4K clarity and expansive 125° view, capturing every detail with exceptional precision. Experience the feeling of truly being there, fostering stronger connections and more meaningful conversations.

EVERY WORD MADE CLEAR

Featuring 16 intelligent beam-forming microphones with a 10m pickup range, the W70 Kit & V70 Kit, equipped with a 200MP Quad Sight lens and FlexMount, is ideal for medium to large rooms. Its dual 20W speakers and quad bass units provide a rich, balanced audio experience. The symmetrical large-chamber design ensures that every word is heard clearly, transforming any space into a professional meeting environment.

U50 & V50 KIT OVERVIEW

EVERY DETAIL, EVERY ANGLE

Our sophisticated dual-eye camera system delivers exceptional image quality for meetings, combining 12 high-definition lenses with innovative stitching to achieve 100MP resolution and 2400 TV lines. With its ultra-wide 125° horizontal field of view and advanced technology, it ensures comprehensive coverage and clear video, capturing every detail so users never miss anything critical.

EVERY WORD MADE CLEAR

Featuring 12 intelligent beam-forming microphones with an 8m pickup range and dual 15W speakers equipped with quad bass units, this system delivers precise sound tracking, crystal-clear communication, and rich, balanced audio. It transforms any space into a professional meeting environment with exceptional clarity and immersive sound quality.

FLEXMOUNT - FLEXIBLE MOUNTING, FEWER TOOLS, LESS HASSLE

FlexMount combines sleek design and easy installation for professional, adaptable meeting spaces with minimal hassle.

3-IN-1 MOUNTING SOLUTION

Designed for wall, desk, or display installation, with adjustable mounting angles for versatile positioning on desktops, above or below TVs, or along sliding rails.

* W70 Kit & V70 Kit only has 2-in-1 mounting solution

SIMPLE REMOTE DEVICE MANAGEMENT

MAXHUB's Pivot+ tool allows easy remote management and updates of room devices, boosting operational efficiency.

ECO-FRIENDLY INSIDE OUT

Inspired by paper, designed for tomorrow. Crafted entirely from renewable paper with zero plastic, our packaging reflects a lasting commitment to sustainability - minimizing impact while maximizing value for your business and the planet.

PEACE OF MIND, 3-YEAR GUARANTEED.

Enjoy peace of mind knowing your technology is in good hands. MAXHUB's comprehensive support, including a 3-year warranty and local experts, ensures long-lasting performance and a seamless workflow.
