

MAXHUB

MAXHUB Panel SP10

Professional Schedule Panel
for Modern Workspaces

 Certified for
Microsoft Teams

 Built on
Microsoft Device Ecosystem Platform

Intelligent Room Scheduling Solution with Native Microsoft Teams Experience

Empowered by the MDEP Ecosystem, this 11-inch panel delivers native Microsoft Teams integration. It provides a crystal-clear, real-time view of room availability, enabling seamless calendar synchronization and effortless on-the-spot reservations for efficient workspace management.

At-a-Glance Visibility

Instantly check room locations and current availability

Premium 11" Display

Crystal-clear, anti-glare and anti-fingerprint

LED Status Bar

High-visibility indicators for room occupancy

MDEP Empowered

Native Microsoft Teams integration featuring enterprise-grade security

Real-Time Sync

Display up-to-date schedules and essential meeting details

One-Tap Booking

Reserve spaces on the spot for ad hoc meetings

*The anti-glare and anti-fingerprint properties are based on Approval Sheet HJR110269D

Empowered by MDEP Ecosystem Enterprise-Grade Security

Empowered by the MDEP ecosystem for native Microsoft Teams compatibility, featuring enterprise-grade security to ensure robust data protection and device management.

Native Teams Compatibility

Certified for Microsoft Teams Rooms. Optimized firmware eliminates lag and compatibility issues.

Enterprise-Grade Security

MDEP delivers enterprise-grade security with hardware-backed trust, device attestation, patch updates, and Zero Trust support.

Real-Time Calendar Sync

Pulls live data from Teams 365 and Teams calendar – always accurate, always current.

Future-Proof MDEP Platform

Built on Android 15, equipped with extended Teams certification coverage to deliver a longer device lifecycle value.

Instant Visibility & Booking

High-visibility LED bars indicate room occupancy at a glance. Reserve spaces with a single tap for ad hoc meetings with real-time schedule sync.

3
THREE YEAR
WARRANTY

Lower Total Cost of Ownership

Mounting bracket included as standard, no extra purchase needed. Industry-leading 3-year warranty cuts lifecycle costs for bulk deployments.

Versatile Deployment

Adapt to any architecture with 4-way installation options. Standard wall mount, glass partition, slim door frame, or a flush embedded aesthetic.

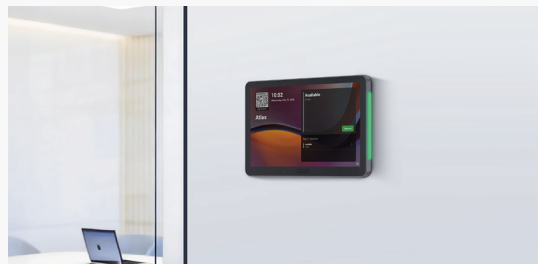

Wall Mount

Glass Wall Mount

Mullion Mount

Backbox Mount
