About Us

Founded in 2017, MAXHUB is a trusted solution provider in integrated commercial display and unified communications. We specialize in interactive collaboration boards, all-in-one LED displays, video conferencing systems, and digital signage.

Global Leadership

World's No. 1 in both collaboration boards and all-in-one LED displays (According to Futuresource and TrendForce)*.

Global Reach

Serving 140+ countries and regions, with subsidiaries in 10 countries and local teams in 29 countries.

Data Scope: CVTE and its consolidated subsidiaries (data as of 2025)

Technology Ecosystem

Microsoft-certified partner, collaborating with Intel, Zoom, and Crestron.

Core Philosophy

Where Inspiration Moves Ahead—simplifying collaboration by making technology invisible so ideas can flourish.

MAXHUB

MAXHUB CMB SERIES

Designed for engaging meetings, impactful commercial displays and immersive retail and hospitality experiences.

NDI Certified Wireless Screen Share

Pivot+ Cloud Management

3-year warranty*

*3-year warranty: Specific terms can be found on the MAXHUB website under Support › Warranty Policy.

NDI Certified. Ready for Seamless Streaming.

Single Ethernet cable for 4K video and audio. Cuts costs up to $500 per display* with ultra-low latency.

- AV over IP
- Cost Savings
- Clean Setup
- True 4K & Low Latency

Typical NDI Setup

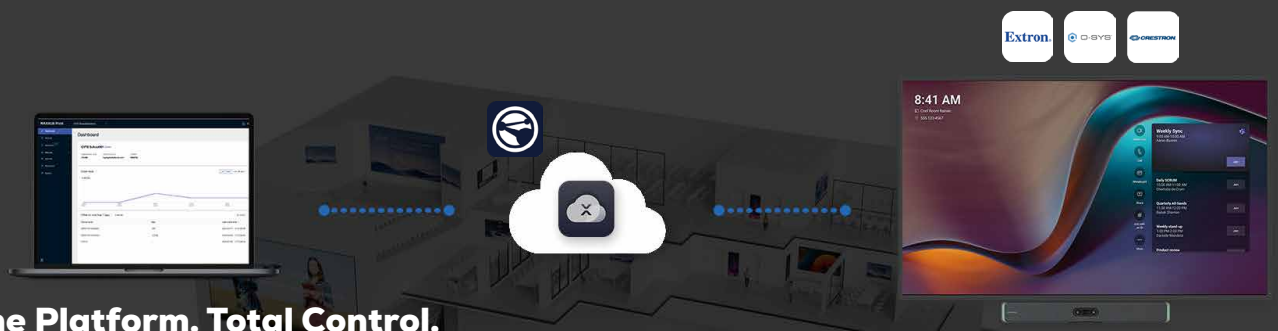

MAXHUB CMB with Built-in NDI

*Savings of up to $500 per unit are estimated based on a comparison with traditional conference room installation costs that require external NDI decoders and additional cabling. Actual savings, and whether any savings are achieved at all, may vary depending on the specific deployment environment.
