EVERY DETAIL, EVERY ANGLE

Close the gap and bring remote meetings to life. This advanced camera system brings remote meetings to life with its quad-eye 4K clarity and expansive 125° view, capturing every detail with exceptional precision. Experience the feeling of truly being there, fostering stronger connections and more meaningful conversations.

EVERY WORD MADE CLEAR

Featuring 16 intelligent beam-forming microphones with a 10m pickup range, the W70 Kit & V70 Kit, equipped with a 200MP Quad Sight lens and FlexMount, is ideal for medium to large rooms. Its dual 20W speakers and quad bass units provide a rich, balanced audio experience. The symmetrical large-chamber design ensures that every word is heard clearly, transforming any space into a professional meeting environment.
